Career Japanese Language

Career Education (Japanese/English)

【Students Feedback】

- Worries about my job hunting were eased.
- Found an ideal career path.
- Realized job seeking very different from that in my home country.
- Realized seeking jobs on our own could result in unsuccessful job applications.
- Went through job interviews with confidence.
- Learned entries for my resume different from those I previously thought.
- Free and open consultation helped me take timely actions.
