岐阜大学の四季

Gifu University Four Seasons

春は花、こぶしに始まって、キャンパスのあちこちを桜やタンポポが彩を添えます.

In spring, *magnolia kobus* blossom heralds the advent of early spring as if to prod *sakura* cherry flowers, dandelion to become full-blown.

夏は新緑, 雨後には中池に白い校舎が緑に映えます.

In summer, when rain lets up, white buildings and lush greenery project a perfect contrast on a pond.

秋は紅葉, アメリカハナノキやメタセコイア、イチョウがキャンパスのあちこちを赤や黄色に華やかに彩ります.

In autumn, red maples, *metasequoia* and ginkgo leaves paint the whole campus with bright colors.

冬は雪, まれにですが積もった雪がキャンパスを純白に染めます.

In winter, snow turns everything into dazzling white.
