To Gifu University students

Subject: Suspension of “Changes in Class Operation Policy for First Semester 2023”

In line with the Japanese Government’s decision of downgrading of COVID-19 to Class 5 (level equals with a seasonal influenza), we are going to suspend “Changes in Class Operation Policy for First Semester 2023” (issued on March 16, 2023) on May 8, 2023.

We do not ask the members of Gifu University to observe the infection prevention measures across-the-board, but the “Mask-Wearing from April 1, 2023” issued on March 27, 2023 remains effective, therefore, please keep on wearing a face mask in the designated areas.

Please access the Health Administration Center’s website (<http://www.hoken.gifu-u.ac.jp/>) to confirm how to report your infection status to the Health Administration Center.

We will inform you of any changes in the decisions/announcements by the national or local governments whenever deemed necessary.

Virtual e-Learning classes continues to be available for students/researchers and you will be notified as to how they will be conducted in a separate notice at a later date.

Thank you very much for your kind understanding and cooperation.
